

HYGIENE AND SAFETY REQUIREMENTS DURING LIVIKO DISTILLERY FACTORY TOUR

- For safety reasons, the Liviko Distillery is equipped with camera surveillance throughout
- I am aware that I am not permitted to move around on Liviko's territory and production facilities
without an accompanying person
- It is not permitted to eat, drink, smoke, chew gum in the production facilities
- I shall undertake the obligation to follow hygiene requirements: wear special clothing, wash and
disinfect hands, tie long hair and remove hanging jewelry when in the production facilities
- I shall undertake the obligation to perform safety requirements: I shall observe and follow
safety marking, I shall not touch equipment or products with my hands, I shall pay attention
and take care when passing equipment required in the production process (e.g. when passing
ladders, hoses on the floor etc.)
- I am aware that it is not allowed to bring personal belongings (handbags, backpacks etc.) to
the
production facilities and such items shall be stored in lockers
- I am aware that taking photos and filming is not permitted in the production facilities
- I am aware that it is not permitted to attend the Liviko Distillery factory tour in the state of
intoxication
- I am aware that the tour guide of the Liviko Distillery tour has the right to remove a visitor
from the
factory tour or not allow them to the production facilities if the visitor ignores the rules
- I confirm that as far as is known to me I have not been ill with contagious diseases during the
past two weeks
